Docket No. 98N-1265

Food and Drug Administration '99 MAR 22 10:08

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: This company was here for me when  
I needed help with hormone treatment.  
The Big pharmaceutical Companies weren't  
there, I felt they didn't care about people with hormone  
disfunction. Please Keep the small pharmacy  
companies and don't limit their sales.  
I need them!
